

# The Drone Sale

## BUYER SHEET

- You just started a delivery business on the station. Your first job is tomorrow.
- You need a cargo drone. A new one costs 120 cr and takes 2 weeks to arrive, which is too late.
- A mechanic is selling a used drone named Bolt today.
- You have 90 cr in total.
- Every credit you save pays for fuel.
- You are free all afternoon today.

### **Goal:**

Buy Bolt for as few credits as you can.
