

ctigami
by Launchpad23

Join us this October in celebrating origami, the Japanese art of paper folding, by challenging yourself to create the shapes below. Use the instructions of others, or up the challenge by creating your own designs and solutions.

Launchpad23 students will receive one Create for every shape they complete in October, and two Creates for every original design.

Paper airplane

Fortune teller

Frog

Balloon

Envelope

T-shirt

Dragon

Heart

Fox

Crown

Unicorn
